Guest Speaker

Retired Pastor Joel Horne will bring the message again this week. First Baptist Texico was his first church to preach at when he was called to serve as the pastor in 1974. He served this body in that capacity for 14 years upon leaving in 1988.

Bible Study Beginning Soon

Glenn Keim will be leading an inductive Bible Study in the evenings on the book of Romans beginning sometime very soon after school starts in the Fall. Before a day of the week is decided upon he would like to know what day of the week might be better for those who wish to attend. Please contact him at 575-749-0995 or Deborah at the church office at 575-482-3632 if you are interested in attending and to give your input on a day of the week. You can also indicate your interest below and put it in the offering plate. Please prayerfully consider participating in this study of God's Word.

I am interested in attending the Inductive Bible Study on Romans

Due to the recent changes in the office staff we will no longer be publishing a monthly newsletter. We will post all announcements and calendar events in the weekly bulletin along with the 1st Family Birthday's being included in the bulletin on the last Sunday of the month for the next month. The bulletin can also be accessed on the church's website at www.firstbaptisttexas.org.

A big thanks for everyone who made this year's awesome VBS happen! It was truly a church-wide effort. We especially appreciate those who helped with set-up and tear-down. I think we had everything back to normal in record time this year.

This year's VBS theme was Uniquely Wired, Wonderfully Made, a fun reminder that we are all of us made in the image of God to glorify Him, trust Him and share Him while helping others. Some of us do that by working behind the scenes; others by rolling around on the floor with the kids. However God wired you to serve in His kingdom, we appreciate you sharing it with the kids this summer.— *Jack & KC*
