Greek Class Planned

In January, we will start a 15 week course (1 hour meeting per week; more for homework) on how to use Greek to study the Bible better. This class will help those of you who do Inductive Bible studies. It is not a class that will teach Greek but more about how to use it for study purposes. Please let Mike know if you are interested so that we can figure out a time and day that best fits everyone's schedule.
